interment, or transportation costs of the deceased veteran.

(2) *Reimbursement of transportation expenses.* In order to pay transportation costs, VA must receive a receipt, preferably on letterhead, showing who paid the costs, the name of the deceased veteran, the specific transportation expenses incurred, and the dates of the services rendered.

(3) *Eligibility based on evidence of record.* VA may establish eligibility for benefits in this subpart based upon evidence of service and disability that VA relied upon to grant disability compensation or pension during the veteran's lifetime, unless VA has some other evidence on the date that it receives notice of the veteran's death that creates doubt as to the correctness of that evidence.

BURIAL BENEFITS: ALLOWANCES & EXPENSES PAID BY VA

§ 3.1704 Burial allowance based on service-connected death.

(a) *General rule.* VA will pay the maximum burial allowance specified in 38 U.S.C. 2307 for the burial and funeral expenses of a veteran described in paragraph (b) of this section, unless VA has evidence on the date it receives notice of the veteran's death that the expenses incurred were less than that amount. Payment of the service-connected burial allowance is in lieu of other allowances authorized by subpart B of this part, except those allowances listed in paragraph (c) of this section.

(b) *Eligibility.* A burial allowance is payable under this section for a veteran who died as a result of a service-connected disability or disabilities. VA will presume, unless it has evidence to the contrary on the date it receives notice of the veteran's death, that a veteran died as a result of a service-connected disability or disabilities if, at the date of death, the veteran was rated totally disabled for a service-connected disability or disabilities, excluding a total disability rating based on individual unemployability.

(c) *Additional allowances available based on service-connected death.* In addition to the service-connected burial allowance authorized by this section:

(1) VA may reimburse for transportation expenses related to burial in a national cemetery under § 3.1709, Transportation expenses for burial in a national cemetery; and

(2) VA may pay the plot or interment allowance for burial in a State veterans cemetery under § 3.1707(a), Plot or interment allowance.

(Authority: 38 U.S.C. 2303, 2307, 2308)

(a) *General rule.* VA will pay the maximum burial allowance specified in 38 U.S.C. 2302 for the burial and funeral expenses of a veteran described in paragraph (b) of this section, unless VA has evidence on the date it receives notice of the veteran's death that the expenses incurred were less than that amount. Payment of the non-service-connected burial allowance is subject to other applicable regulations in subpart B of this part.

(b) *Eligibility.* A burial allowance is payable under this section for a veteran who, on the date of death:

(1) Was receiving VA pension or disability compensation;

(2) Would have been receiving disability compensation but for the receipt of military retired pay; or

(3) Had pending any of the following claims:

(i) An original claim for pension or disability compensation, and the evidence in the claims file on the date of death and any evidence received under paragraph (d) of this section is sufficient to grant pension or disability compensation effective before the date of death; or

(ii) A claim to reopen a previously denied pension or disability compensation claim, based on new and material evidence, and the evidence in the claims file on the date of the veteran's death and any evidence received under paragraph (d) of this section is sufficient to reopen the claim and grant pension or disability compensation effective before the date of death; or
